

# Pole Star Eduplay

Empowering Young Minds Through Engaging Learning Experiences

**Pole Star Eduplay** transforms **language** learning for children aged **6 to 12** by nurturing confident communicators and creative storytellers.

## Our Focus

- Seamlessly blends **storytelling** and **language skills**.
- Empowers children to **express ideas** and engage meaningfully.
- Prepares them to thrive in **real-world settings**.

# What is Story Buddy?

Turning Stories into Learning Adventures

Story Buddy empowers children to grow into **confident readers, speakers, and thinkers** by blending fun stories with interactive learning.

Our approach ensures that learning becomes both **enjoyable** and **impactful**!

- ## 1. Building a Love for Reading

Turning reluctant readers into enthusiastic learners.
- ## 2. Strengthening Core Skills

Enhancing Listening, Reading, and Speaking for effective communication.
- ## 3. Boosting Creativity & Critical Thinking.

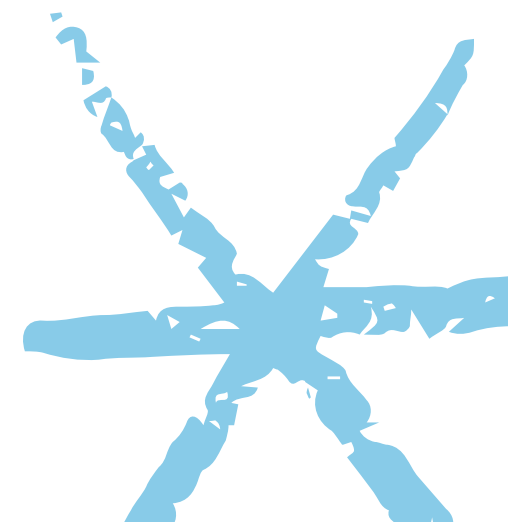

Encouraging imagination and problem-solving through interactive storytelling.
- ## 4. Measurable Outcomes

Improved academics and Increased classroom confidence.

# Why Story Buddy?

“Every child will learn, play, and grow in a fun, judgment-free space”

# About Story Buddy Summer Camp

Our program focuses on improving **communication proficiency** for Grades 4 to 6 by using storytelling as a tool to engage and educate.

Our goal is to help students progress from **A0 to A1** in Listening, Reading, and Speaking based on **CEFR standards**, ensuring measurable language growth.
